

IMPOWR

A SINGULAR SAAS PLATFORM THAT CREATES OPERATIONAL EFFICIENCIES FOR ARCS

Arc organizations are dedicated to advocating for the rights and well-being of individuals with intellectual and developmental disabilities (IDD), and they are required to manage complex internal operations.

Common Challenges for Arcs

- Data Location and Access
- Inefficient Client Management Tools
- Staffing Constraints
- Ineffective Technology
- Operational Efficiencies

The Solution for Arcs: IMPOWR

IMPOWR stands at the forefront of digital transformation solutions, offering a single, unified, data-driven technology platform. IMPOWR streamlines operations, delivers essential insights, and unlocks the capacity to serve the at-risk and vulnerable with enhanced effectiveness, productivity, and affordability.

Unifying Your Organizational View for Optimal Efficiency and Quality

IMPOWR provides one single system that offers a 360-degree view of the organization, allowing Arcs to move from multiple platforms to one single system of record. IMPOWR brings together service, operations, analytic, compliance and revenue tools in a platform which—singularly or in tandem with existing systems—provides:

- One Unified Enterprise Solution
- Efficient Service Tracking and Billing
- Seamless Compliance and Auditing
- Actionable Insights for Strategic Planning and ROI
